

ONE BURRITO HELPS SAVE THE WORLD

For just \$5 / semester, TGIF will make our campus more sustainable. That's less than the cost of your lunch.

DON'T BE LEFT BEHIND, CAL

Students at over 20 universities across the country have approved fees for sustainability. Last year, 80% of students at UCSB voted for TGIF. Help Cal catch up with its peers.

SOLAR IS COOL

The sun's energy is free and plentiful.
Let's capture more of it for Cal.
TGIF can fund new solar installations
on campus.

TWO HUMMERS PER STUDENT

Cal emits 200,000 metric tons of CO₂ each year. That's 6,000 tons per student – the mass of two H2 Hummers. TGIF will reduce our carbon footprint.

OUR LEGACY

TGIF will make Cal more sustainable, for you *and* for future students. Our energy bills will be lower, the campus will be cleaner, and the next generation at Cal will thank you.

NOT JUST SPOTTED OWLS

TGIF doesn't just benefit "the environment." Smarter energy practices will send less of our tuition money to Cal's energy bill. How would you spend the savings?

A BILLION POUNDS OF TRASH

Did you know that Cal produces close to a billion pounds of trash every year? Don't you wish you could do something about it? Wait... you can.

MMM... WATERLESS URINALS

TGIF will fund sexy technologies like low-flow toilets and waterless urinals. If Cal upgraded its bathrooms, we would save 60 million gallons per year. That's sexy.

I WANT A GREEN CAMPUS

Blue and Gold look nice, but a Green campus will save money, save energy, and spare the environment. TGIF will green our Blue and Gold. Go Bears!
